

## 9 Tips for Revamping Your Look: Organizing Your Closet, Makeup and Handbags for 2024

- 1) Dress Your Intentions for Spring. Identify clearly what events you want to happen for spring—speaking, Branding Photoshoots, in-person events, Videos, etc.
- 2) Who are your style icons? List three style icons you admire and make notes on what you love about their style.
- 3) Mindset Shifts: What thoughts do you need to change to create a wardrobe you adore and feel amazing in every day?
- 4) Choosing the right color scheme for your spring wardrobe is essential to show off your style and personality. Let's pick a scheme that enhances your features, complements your skin tone, and reflects your mood. What color scheme will make you stand out this spring?
- 5) Plan your handbag collection based on upcoming events. Which style of handbags or totes will complement your look best?
- 6) It's time to clear out your closet for 9 days. Discard 3 items that no longer fit your new spring image.
- 7) "Get ready for spring and travel by decluttering and organizing your skincare and makeup products."
- 8) Create a financial plan to buy your dream wardrobe.
- 9) Create a plan to complete at least one item from this list within the next 9 days.

**Thank you so much for attending my workshop and taking the first step in creating a wardrobe that will make you look amazing this spring. If you're looking for additional support in achieving your fashion goals, let's schedule a chat and see if we can work together. Together, we can create a customized plan that fits your**
